Dear Sir,

Enclosed herewith is an amendment and a Petition and fee for revival of application for unintentional abandonment under 37 C.F.R. § 1.137(b). To: The Commissioner of Patents and Trademarks, Washington, DC 20231

Dear Sir:

Remarks

The newly typed claims are attached hereto as a separate sheet. It is requested that the Examiner allow the claims based on the amendments made to claim one.

In the previous office action the applicant indicated that the withdrawal of claims 12-20 and claim 24 from examination, even without prejudice to the reinstatement of the claims in this application or in a divisional application, would be premature. Since the Examiner has made this office action final the applicant without prejudice to the applicant's ability to reinstate the claims the applicant withdraws claims 12-20 and claim 24 from the application.

The present remarks are addressed to the claims 1-11 and 21-23. The applicant submits that as amended the claims presently in the application are not obvious in light of the teaching of Spencer nor of Hall, or even of the reference (not prior art) which was submitted April 20, 2001 (US Pat. 6,057, 496). The claims as amended are not made obvious by the art cited herein.

The Applicant hereby submits that Claim 1 as amended in the attached claims should overcome the Examiner's 35 U.S.C. § 103 rejection over Spencer, et
